Dear Andy:

FOIAb3b1

To the best of my knowledge the only word I have of [REDACTED] intent to resign is our telecon of about two weeks ago. Obviously we should have official confirmation of this before we proceed with [REDACTED] staffing arrangements for your [REDACTED]

25X1A8a

I therefore desire that you advise me in writing as to her plans at your earliest convenience. Dates should be as specific as possible.

This letter should not be construed by you or by [REDACTED] as pressure to effect her resignation now — or at any time for that matter. However, we should be advised of her plans, whatever they may be, as soon as her decisions are made.

Sincerely,
